

FLINT RIVER ACADEMY SOCIAL STUDIES STANDARDS

6th Grade Geography

LATIN AMERICA, the CARIBBEAN, CANADA, and EUROPE, SOUTHWEST ASIA (Middle East), SOUTHERN and EASTERN ASIA

Sixth grade students study Latin America, Canada, and Europe. The goal of this course is to acquaint middle school students with the world in which they live. The geography domain includes both physical and human geography. The intent of the geography domain is for students to begin to grasp the importance geography plays in their everyday lives. The government/civics domain focuses on selected types of government found in the various areas so as to help students begin to understand the variety of governments in the world. The economics domain builds on the K-5 economics; however, the focus shifts from the United States to how other countries answer the basic questions of economics. The history domain focuses on major events in each region during the twentieth and twenty-first centuries.
