

Headmaster's Hello

Welcome to the Flint River Academy.

Flint River Academy is an extraordinary school. We currently boast the Meriwether County STAR Student and Teacher. We are the state runner-ups in football. We are also competitive on the state level in baseball, one-act play and many of the state literary events. We are accredited by the Southern Association of Schools and Colleges and the Georgia Accrediting Commission. We are a member of the Georgia Independent Schools Association and the Southern Association of Independent Schools.

So, how does a small independent school accomplish so much? The answer is simple: Flint River Academy is a magical combination of great teachers and gifted students within a program that promotes servant leadership and the pursuit of excellence with honor at every educational level.
