A Message from the Headmaster

School is well underway and going wonderfully. All of our athletic teams are experiencing success on every level. Our football program is undefeated at every level. Varsity is beginning region play October 2nd against Arlington Christian School. JV is currently 4-0 and our C-Team is 4-0 with 4 shutouts. Our softball team is in the thick of their region schedule and is currently preparing for the state tournament. And our JV has a bunch of girls who keep finding a way to win. Go Wildcats!!!!

Our Annual Enrichment Fund Campaign has been met with a positive response. We have received an initial response from a number of our teachers and families, but everyone's participation will be needed in order to make this a success. Remember, the monies raised through the Annual Fund Campaign will help to fund all the Fine Arts and Academic programs that allow our children the full FRA experience. Be a part of the Annual Fund Campaign so we can continue to offer our children an exceptional educational experience.

Habitudes Class Underway in the Upper School

"Whom am I mirroring? Who might be mirroring, or reflecting, me? Are you more like a flood or a river?" These are questions associated with images that are included in the Habitudes class in which all FRA high school students are participating this year. Led by Jonathan Porter and Matt Hinesley, this weekly class is designed to teach faith-based leadership truths. As educators, our job is to ensure that our students are ready to face the world outside these doors - every aspect of the world, not only in academics. We are working to create bright, articulate, service-minded young leaders who will meet the challenges of the world in a Christian way.

October 1, 2009

Ask a high school student about the mirror effect or the rivers and floods. See what interesting and insightful responses you get.

FRUIT! FRUIT! FRUIT!

YES! It's that time of year once again for the Junior Class. Each member will be selling fruit through the first week in November. The juniors will be calling on you to help them with this project. Some of them have already been working. What could be better than delicious fruit arriving in time for Christmas? Ho! Ho! Ho! We appreciate your support with this junior class project. For more information, call FRA at (706) 553-2541.
