**6th Grade Summer Reading**

Over the summer, you are required to choose one book from the list. After reading the book, you are to write a letter to me, Mrs. Barnes, indicating you have read the book. Your letter will be due when school starts. You will also be required to take an AR test over the book. Both the letter and the AR test will be counted as test grades.

Your letter should include the following:

- 1st paragraph: A short introduction, including your name, if you are new to this school where you went before, a few interesting facts about yourself, and the date you completed the book.

- 2nd paragraph: The title and author of the book, a description of one or two of the main characters, the setting, and a summary of the story.
- 3rd paragraph: Your personal rating of the book, from 1 to 5, with 5 being the highest, plus your reasons for the rating.

If you decide to read another book from the list, be sure to keep some notes on note cards to help you remember the story and be ready to take an AR test for extra credit.
