

FRA English Department Summer Reading

We require students to do summer reading to help them maintain their reading skills over the summer, engage their imaginations, and provide a common learning experience for students in the opening days of school. Additionally, the required texts for each grade are linked thematically to the courses and help students and teachers establish a conceptual framework for the school year. All assignments are due the first day of school.

12th Grade Supply List

It is expected that all students will have capability to access the internet and print assignments at home.

General

3-Ring binder with tab dividers for each class

College-ruled notebook paper

blue or black pens

pencils

calculator acceptable for the ACT (see College Board website)

3 bottles of hand sanitizer

In addition to the general supplies above, each student will need the following for specific classes.

Physics

\$25.00 lab fee* due by first day of class

**Please note: One lab fee per student, even if enrolled in two science classes.*

Advanced/AP Calculus

TI-89 Titanium calculator (may not be acceptable for use in other classes where programmable calculators are not allowed)

Pre-Calculus

Scientific calculator

Compass

One subject spiral notebook

English

composition book

highlighters (at least 3 colors)

Humanities

drawing pad and pencils

AP CSP

See summer reading assignment on school website
