

## **FRA English Department Summer Reading**

We require students to do summer reading to help them maintain their reading skills over the summer, engage their imaginations, and provide a common learning experience for students in the opening days of school. Additionally, the required texts for each grade are linked thematically to the courses and help students and teachers establish a conceptual framework for the school year. All assignments are due the first day of school.

### **10<sup>th</sup> Grade Supply List**

It is expected that all students will have capability to access the internet and print assignments at home.
