

FRA English Department Summer Reading

We require students to do summer reading to help them maintain their reading skills over the summer, engage their imaginations, and provide a common learning experience for students in the opening days of school. Additionally, the required texts for each grade are linked thematically to the courses and help students and teachers establish a conceptual framework for the school year. All assignments are due the first day of school.

9th Grade Supply List

It is expected that all students will have capability to access the internet and print assignments at home.

General

3-Ring binder with tab dividers for each class

College-ruled notebook paper

blue or black pens

pencils

calculator acceptable for the ACT (see College Board website)

3 containers of cleaning wipes

In addition to the general supplies above, each student will need the following for specific classes:

Physical Science

\$25.00 lab fee due by first day of class

Advanced Algebra II

TI-89 Titanium calculator (may not be acceptable for use in other classes where programmable calculators are not allowed)

Algebra I

Scientific calculator – not programmable; not graphing (inexpensive)

Compass

One subject spiral notebook

Pre-Algebra

Scientific calculator – not programmable; not graphing (inexpensive) (ex: TI-30Xa)

English

See summer reading list and assignment(s) on FRA website

Pencils and dark blue or black ink pens.

Highlighters (several colors)

Sticky notes

2 composition notebooks – one must be red, the second may be any color except red, blue, or green (no spiral bound notebooks)

Loose-leaf paper and binder to organize materials (may be shared with other classes)

Technology

Headphones/earbuds
