This includes, but is not limited to, all practices, scrimmages, games, competitions, camps, and field trips on or off campus. All financial obligations (including, but not limited to, tuition, fundraisers/opt-out, bus, class dues, and all fees) must be current.

Permission is granted for the student(s) named above to participate in all school activities and field trips during the 2023-2024 school year. I understand and agree that FRA will in no way be held liable for any accident or injury from the student(s) participation in any activity or field trip.

Financial Commitment:

ALL financial accounts (including, but not limited to, tuition/optional fundraisers, bus, class dues, and all fees) must be paid in full before the beginning of the academic school year for the student to be enrolled in a class. Flint River Academy reserves the right to refuse admittance to class or exams, withhold report cards and/or transcripts, and refuse graduation and/or graduation activities for any student whose financial account is not current. Flint River Academy reserves the right to revoke any student's enrollment contract and dismiss the student if the Head of School determines that FRA cannot meet the student's needs or if the student's conduct or progress is unsatisfactory.

The obligation to pay Tuition and Fees shall not be affected by any change in FRA's mode of delivery of instruction, any other modification of the academic program, or the inability of FRA to provide the same services that existed at the time of my child's enrollment, including the inability to maintain interscholastic academic and athletic teams and competitions or other extracurricular activities. The inability of FRA to carry out these activities in whole or in part shall not be considered an impossibility that will excuse the performance of the obligation to pay Tuition and Fees.

The delivery of instruction, its content, frequency, mode of delivery, teaching methods, examinations, grading, awards, standards, assignment of teachers, student-teacher ratios, duration of classes, the requirement of homework, out-of-class participation, summer assignments, and all other decisions of an academic nature are at the sole discretion of FRA. FRA may change any of these academic decisions during a school year without prior notice, though FRA will endeavor to notify all affected persons in a timely fashion. In particular, FRA may determine to deliver classes by remote means, by in-person instruction, by other means, or a hybrid of any of these means, at its sole discretion, with or without providing an election to my child or me.

Upon execution and acceptance of this contract, I understand that my obligation to pay tuition, based on my selected payment schedule, is unconditional for the entire academic year and that no portion of such tuition so paid or outstanding will be refunded or canceled. I agree not to allow my account to get past due at any time during the length of the enrollment agreement. If my account becomes delinquent for 60 days, my children will be withdrawn until my account is entirely up to date. I also understand that I will not qualify for financial aid for the next school year if my account becomes 60 days delinquent. By my signature below, I acknowledge I, the parent/legal guardian, am financially responsible for the student(s) mentioned earlier, have read and understand the above agreement, and will abide by the terms stated.

Further, the student(s) mentioned earlier, and I agree to comply with all rules and regulations stated in the Student Handbook and otherwise implemented by the school. I acknowledge that there will be a \$35 returned check fee for each occurrence, and after two returned checks, I must pay all school expenses with cash, money order, credit card, or cashier's check. **Any credit card transactions processed with Flint River Academy will be charged a 3% surcharge.**

Upon execution and acceptance of this contract, in the event the named child or children are voluntarily withdrawn or dismissed because of violating the discipline code section of the student handbook, any selected payment plan is accelerated and due in full before the release of student records or documents maintained by Flint River Academy on the student's behalf. Should litigation or arbitration be necessary, all proceedings will be conducted in Meriwether County, Ga.

Flint River Academy admits students of any race, color, religion, nationality, or ethnic origin to all the rights, privileges, programs, and activities generally accorded to or made available to students at our school.
